FLAM "In fact, we think it will prove to be the most valuable time you've ever spent."

FLIM "Welcome one and all to the demonstration of a lifetime..."

FLAM "A demonstration of a better life..."

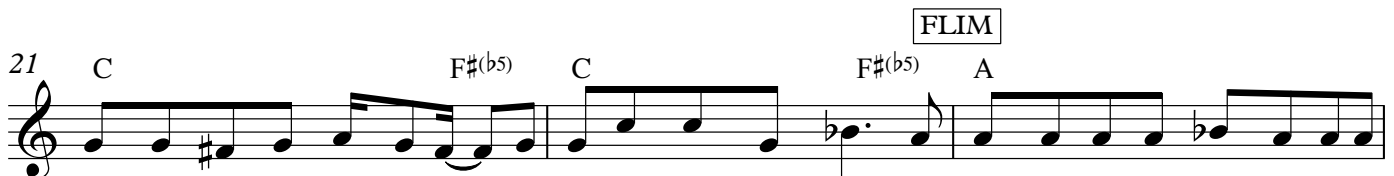

FLIM "A demonstration of a better time, and if we haven't captured your interest just yet, by the time we finish an unfortunate phenomenon practically guarantees that we will."

FLAM "A phenomenon? What's that?"

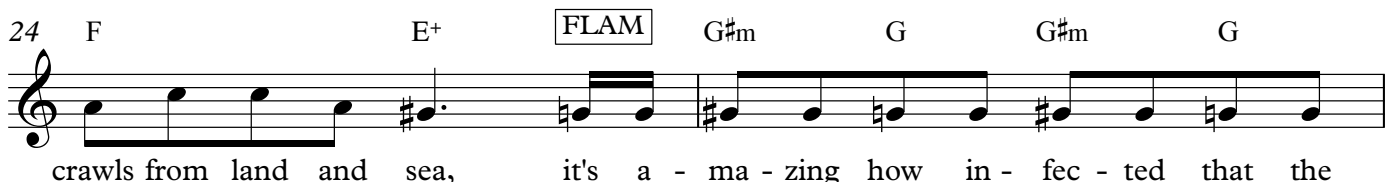

FLIM "It's a circumstance perceptible by the senses, but in this case it's the simple fact that..."

sick-ness that lies wait-ing there in eve-ry breath you breath, di-sease will up and grab you as it

crawls from land and sea, it's a - ma - zing how in - fec - ted that the

na-tu-ral world and all it's things can be!

FLIM "Now I understand that some of you dont think you're sick."
